# We have a surprise!

We were One-on-one NCLEX Tutoring

We will, as of March 31st, go as One-on-One Tips. We will be focusing on the blog and using it to teach and inform new nursing grads and new nurses about information vital to them. Each week will have unique items to accompany the blog for more learning.

We hope you feel comfortable sharing your thoughts about the blog topic and what you want to hear more about. This is an example of a newsletter that could be included with the blog for the new nurses or NCLEX nursing students.
